

# Project « MOTORS »

## Activity

With an **established presence** in the provinces of **Hainaut (centre)** and **Walloon Brabant**, « MOTORS » is active in the sale of new and used cars. With several brands at its disposal, the group offers a **diverse range of products and services** through four garages (one French brand at four sites and one Chinese brand at two sites) and a body shop.

## Strengths

The group benefits from agent status for some of its garages, enabling better cost management and, consequently, better margins.

The garages and body shop are located near major roads, facilitating efficient logistics management in terms of both inventory and vehicle transfers.

MOTORS also benefits from its presence within one of the world leaders in the automotive sector, which continues to innovate in the design of sustainable mobility vehicles.
